Church activities throughout the period of the Passion Play

The Oberammergau Passion Play is a special chance for Christian mission. First the Kirchliche Dienste (church service) are making a contribution for a deeper understanding of the Passion Play and help to reflect on impressions after the play.

Second the Kirchliche Dienste is providing rooms and opportunities where under word and sacrament the Christian congregation is free to gather and to celebrate services.

The Kirchliche Dienste joyfully give hospitality.

The Evangelisch-Lutherische Kreuzkirche (Lutheran Church of The Cross) opens its doors and hearts for services, music, pastoral care, meeting and conversation.
